KING INA

CHURCH OF ENGLAND ACADEMY

---

Wednesday 10<sup>th</sup> July 2024

Dear Parents and Carers

Please find attached our Ofsted report from the inspection that took place earlier this year.

There are many aspects of the report that we are proud of and as with all schools, there are always areas for development. However, there are a number of aspects that we feel are harsh and do not accurately reflect our school. We have challenged Ofsted's processes and as a result, they have undertaken their own internal investigation, hence the delay in the final report. We have not yet completed our challenge to Ofsted, however we are now required to publish the report as it currently stands.

We understand that many of you will have questions about the report. We would therefore welcome the opportunity to meet with you, to share details of the inspection and importantly, to discuss our action plan to address the areas for improvement. All staff at the school are totally committed to ensuring the school is doing all it can to be as good as it can be. We wish to work with you as parents and with the local community to ensure this is so.

We will be holding an information evening on Wednesday 17<sup>th</sup> July 2024 at 7pm in the school hall and invite all parents and carers to attend. This meeting is not suitable for children to attend. School staff, directors, governors and external partners who have worked with the school will be present at the meeting.

Please click on the link below to let us know you will be attending the meeting:

We look forward to seeing many of you on 17<sup>th</sup> July and in the meantime, we thank you for your continued support.

Best wishes

Headteacher
