

There are lots of ways you can enhance your child's learning at home!

Share information texts together about seas and coastlines around the United Kingdom and the World.

Find out about the lives and works of artists who have painted seaside scenes.

View nature programmes about oceans, seas and coasts such as Blue Planet I and II by David Attenborough.

Enjoy family seaside-themed films such as Finding Nemo, Finding Dory, Shark Tale and The Little Mermaid and find out about the featured creatures contained within the films.

Take the opportunity to visit the nearby coastline/seaside and enjoy a walk; perhaps learn to skim a stone, search in rock pools for creatures, fly a kite, catch a fish in a net and jump over waves on the shore!

Make a scrapbook of exciting and interesting items that you collect on a seaside or coastal visit.

Find your own ideas for ways to create seaside art that you may be able to share with the class.

Our Learning Journey

Seaside Scenes

KING INA

CHURCH OF ENGLAND ACADEMY

King Ina
Church of England Academy
Summer 2022

Some of the questions that we hope to answer this term.

Topic

How does the seaside influence artists and our own creativity?
What art skills can we learn and develop?
How can we use mixed media resources to create effects?
What must we do to protect our seas and oceans?
What living things do the sea and ocean support?
How do we put on an art exhibition?

RE

Where was Islam founded and by whom?
What are Islam's main beliefs?
Where do Muslims worship?
What are the key Muslim festivals?
What is the Muslim's holy book called?
What symbols are associated with Islam?

Science

Can we describe the changes as humans develop to old age?
Can we identify and name the main parts of the human circulatory system, and describe the functions of the heart, blood vessels and blood?
What are the impacts of diet, exercise, drugs and lifestyle on the way our bodies function?
In what ways are nutrients and water transported within animals and humans?

Our Learning Journey

Our topic will be launched shortly with a seaside story telling day where the Year 6 and Year 5 teachers tell their favourite seaside themed stories and the classes will rotate so that they are able to hear all the tales. The children will then produce a book review and artwork based around their favourite story.

We hope to visit the coastline nearby to learn more about what we find there and to inspire our artwork throughout the rest of the term.

We will be using a Devon artist who creates pieces of artwork using a range of media as inspiration for our own artwork as we work to create a seaside-themed art gallery within our classrooms.

We will visit a local art gallery to learn about an artist's work and how they are inspired themselves.

We will also use the seaside to inspire our writing tasks and furthermore to enjoy music that ties in with our topic.

Our topic will conclude with each class preparing a seaside-themed gallery within our classrooms of all the exciting artwork we have created. We will invite parents in to view the wonderful results at the end of the summer term.
