Welcome to King Ina's Autumn Sports Newsletter

It has been fantastic to be able to get back to doing lots of sport in school & against the other schools in our CLP.

The football/netball leagues have been completed, the cross country events have started and our girls have played in a football tournament, not to mention the inaugural King Ina House Cross Country Event!

Year 5/6 Netball League

Miss Dare's year 5/6 netball team took part in the CLP league at Huish Academy. Despite having to practise without netball posts until our new ones arrive, they performed superbly, finishing 3rd in the league.

Sports Captains

We are in the process of appointing our new Year 6 Sports Captains. This role involves assisting Mr Smith in leading, running, organising, officiating and reporting on lunchtime clubs, playground activities and house matches, including Sports Day.

They are also responsible for organising and tidying the PE Stores. As the year progresses, year 5 children with potential to be a Sports Captain will be identified and added to the team.

Cross Country at Hambridge

The first cross country of the year took place at Hambridge School. We had lots of children running for the school for the first time & they all did amazingly. Adam also managed to win the Year 5/6 boys' race! Pictured are the Year 3/4 girls' team after their race.

Long Sutton Cross Country

A super effort again at the Long Sutton cross country with new members joining the team and performing well. There was a particularly strong showing from the Year 5/6 girls' team who won their event.

Our KS1 children have been enjoying tag rugby sessions with Keiron from Somerton Rugby Club. Somerton have a growing junior section with many current & previous King Ina children and they are always pleased to see new members.

House Cross Country Event

Our first ever house cross country event, won by Saxons House, was held this term and it proved to be a great success. The house captains did a marvellous job of leading the younger children around the course and there were plenty of smiling faces. The aim is to make it an annual event.
