

22nd Novemeber2024

Dear parents,

We are excited to announce that we will be giving the children the opportunity to share their art skills with you at home!

On Monday, a child from each class will be chosen to bring home a class art pack. They will be able to keep this art pack for 1 week, returning it the following Monday. This will then go home with a new child each week.

During the week, this is their chance to get imaginative and create a page or two of art in the class art book that will be included in the pack. They are welcome to use the materials in the pack or any they have at home to do this.

Included will be:

- The art book,
- 1 sketching pencil, rubber and sharpener,
- 12 colouring pencils
- 1 watercolour set,
- 1 box of oil pastels,
- 2 x paintbrushes,
- Pack info.

Please can we ask that the materials are looked after and returned on time each week. If any are lost or damaged, please let the class teacher know so we can replace them for the next child. We will be asking the children to only add their own art work and not to draw on or change the other children's art already in the art book.

The children will be given the chance to share what they have done each week with the rest of the class.

At the end of the year, we look forward to having a book full of wonderful, collaborative art that the children can be proud of!

Best wishes

Mrs McInnes
Art lead
