CHURCH OF ENGLAND ACADEMY

Friday 11th September 2026

Dear Parents and Carers

It has been a wonderful first week back at school, and we have been so pleased to see how well the children have settled into their new classes and routines. A special mention must go to our new Reception children, who have made such a fantastic start.

This term, our school value is 'Friendship'. Throughout the week, the children have been learning about what friendship means to them and thinking about how they can be good friends to others. We have been talking about kindness, sharing, listening, including others and looking out for one another.

Medical needs and allergies - reminder

A reminder that it is essential that the school is kept fully informed of any medical needs, allergies or changes to your child's health. In particular, please make sure we are aware of any allergies so that we can put the appropriate arrangements in place to keep your child safe.

If your child requires an inhaler or EpiPen, parents/carers **must** come into school to complete an Individual Healthcare Plan (IHP). A new form is required each school year so that we have the most up-to-date information and procedures in place.

Please also ensure that inhalers and EpiPens are kept in school at all times, are within date and are replaced promptly when necessary. If there are any changes to your child's medication, allergies or other medical needs during the school year, please let us know as soon as possible.

Midday Supervisor vacancies

We are seeking reliable and enthusiastic Midday Supervisors to join our team. Please see the school website for more details including a job description and application form. King Ina C of E Academy is committed to safeguarding and promoting the welfare of children and young people and expects all staff to share this commitment. These posts are subject to an enhanced DBS check.

Key dates for your diaries

The key dates for the autumn term, along with some important dates for later in the year, are attached to this letter. Please keep an eye on your emails throughout the year, as dates and arrangements may occasionally change and we will keep you updated.

Thank you, as always, for your continued support. We are looking forward to a happy, successful and exciting term ahead!

With best wishes

Mrs S Svenson
Headteacher
