### Welcome to King Ina's Autumn 1 Sports Newsletter

*Back to school and it has been a busy sporting start to the term. Everyone took part in the house cross country event and our school cross country team have completed the first two races of the season. The football and netball tournaments at Huish were enjoyed by the children and we are looking forward to the house football and netball tournaments after half-term.*

### Long Sutton Cross Country

A super effort by the team at the first cross country event of the year. We had some new runners and Georgia won the Year 3/4 race!

## Sports Captains

Our sports captains have been chosen and have begun their roles. They started with some training with Mr Smith and practised delivering activities with Puffins Class. They will start after half-term delivering playtime activities for children in KS1 and KS2.

### Netball Tournament

Well done to Miss Dare's netball team who finished in third place at the CLP tournament. All the team played well and everyone enjoyed themselves.

## Sports Captains Training

The sports captains training with Puffins Class.

## Girls' Football Tournament

Our girls were fantastic at the CLP football tournament. They played with smiles on their faces, finishing up in third place, and Jazz scored ten goals in the tournament!

## School Games Gold Award 2022-23

We were extremely pleased to be awarded a School Games Mark Gold Award for our commitment in providing physical activity and developing sporting competition in school & across the community. Harrison & Phoebe are pictured with the award.

## House Cross Country

All the children did their best for their house in the cross country competition, won by Romans House.

## CLP Football Tournament

Well done to our football team who came in third place at the CLP tournament at Huish!

## Hambridge Cross Country

The team ran strongly at Hambridge with several placing higher than they did at the Long Sutton race. Georgia won again & Phoebe came fourth in her race.

## Tag Rugby with Somerton RFC

Somerton Rugby Club have been doing tag rugby with Sparrowhawks Class and an after school club with some of our Key Stage 2 children.
