

Dear Owlet Families,

With the warmer weather now upon us, we would like to request that all children arrive at Owlets with sunscreen already applied, and with a **named** sun hat, so we can continue to enjoy our free flow inside and outside play activities.

Due to the age of our Owlets children, with your permission, we will encourage independence and support them to apply an afternoon sunscreen top-up. The sunscreen top-up is to follow on from their full sunscreen coverage applied by you prior to their session. For some children, assistance from Owlets staff may be required to rub the sunscreen product onto their skin.

A top-up application may only include below the knees, arms, face and back of their neck.

In Owlets we will only be using the following sunscreen:

[Soltan Kids Sensitive & Sun Allergy Protect Spray SPF50+ - Boots](#)

This sunscreen is fragrance free, suitable for Vegans, dermatologically tested, suitable for sensitive skin and skin that maybe prone to eczema. At SPF 50+ it also has the highest UVA protection at 5* with UVB protection. Additional details are attached from the supplier, however please see full details via the above link.

Permission to support or apply an afternoon top-up of sunscreen to your child during June & July 2023

Soltan Kids Sensitive & Sun Allergy Protect Spray SPF50+

Full product details can be found at:

[Soltan Kids Sensitive & Sun Allergy Protect Spray SPF50+ 200ml - Boots](#)

Copied from the suppliers website, May 2023:

Product details:

Soltan Kids Sensitive & Sun Allergy Protect Spray SPF50+ 200ml has the highest UVA star rating. UVA rays penetrate deep into the skin, causing long-term skin damage and premature ageing. The UVA star rating system shows how much protection a product has, with five stars being the highest level.

Key Features:

- Helps to protect against sun allergies and sun-induced skin damage
- Suitable for sensitive skin, also suitable for people who may be prone to eczema
- Maximum 5 star UVA protection
- Light & easily absorbed
- Extra Water resistant
- SPF 50+
- UVA and UVB Protection.
- No colour, no fragrance
- Advanced protection, expertly formulated by Soltan's sun care scientists
- Unique antioxidant complex including Vit C & E
- Dermatologically tested
- Vegan* (*No animal derived ingredients or by-products)
