

13<sup>th</sup> October 2026

Dear Parents and Carers,

World Nursery Rhyme Week is fast approaching, and we are delighted to share that Owlets, Pipits and Wagtails will be taking part from Monday 9th November to Friday 13th November.

Launched in 2013, World Nursery Rhyme Week celebrates the important role nursery rhymes play in early childhood development and learning, particularly in supporting children's early language, communication and literacy skills.

Singing nursery rhymes is also a wonderful activity to enjoy together at home. Rhymes help children develop their listening skills, learn new vocabulary, recognise patterns and rhythms, and build confidence through repetition, actions and singing together.

You can access a range of free resources to enjoy at home by registering at [www.worldnurseryrhymeweek.com](http://www.worldnurseryrhymeweek.com)

Throughout the week, we will provide the children with lots of exciting opportunities to sing, play, move and learn together in a happy, engaging and supportive environment.

We look forward to celebrating a wonderful week of rhymes, songs and fun with your children at King Ina C of E Academy!

The EYFS Team
