Dear Parents and Carers

We are all looking forward to our VE Day 80th celebration tomorrow. Please see below for a couple of reminders:

- We have asked the children to come to school dressed in red or white or blue or a combination of the colours.
- We are having a picnic lunch on the field. Those children who would ordinarily bring a packed lunch to school will need to do so as normal and the kitchen is preparing a packed lunch for **those who have ordered one.**

The weather is going to be fine tomorrow and we are hoping for some sunshine! This is a good opportunity to remind parents that all children should come to school prepared for the sunny weather. This includes wearing a sun hat and bringing plenty of drink. Children should come to school already wearing sun cream and if it is necessary to reapply sun cream at school, children must bring sun cream to school in a named bottle which they will need to keep in their bag. They must be able to apply the sun cream themselves and must not share it with anyone else. We thank you for your cooperation.

Thank you for your continued support.

Best wishes

Mrs Svenson
Headteacher
