KING INA

CHURCH OF ENGLAND ACADEMY

---

Friday 19<sup>th</sup> June 2026

Dear Parents and Carers,

With hot weather forecast for next week, we would like to remind families of the measures we take to help keep children safe and comfortable during periods of high temperatures.

Please ensure that your child comes to school each day with:

- A named sun hat
- A named water bottle
- Plenty of sun cream already applied before the school day begins

Children are also welcome to bring their own named sun cream to school to apply later in the day. However, this must be for their own use only, and they should be able to apply it independently.

We are fortunate to have plenty of shaded areas around the school grounds, and staff regularly encourage children to move into the shade and take breaks from the sun whenever they become too hot.

We would also like to make you aware that Sports Day is currently planned for next Thursday. We are monitoring the weather forecasts closely and will continue to assess conditions as the week progresses. Should temperatures reach a level that we believe could present a risk to children's health and wellbeing, we will instead run a condensed version of Sports Day during the morning only. We will communicate any changes to arrangements nearer the time.

Thank you for your support in helping us keep all children safe and comfortable during the warm weather.

Best wishes

Mrs Svenson  
Headteacher
