Welcome to King Ina's Autumn 1 Sports Newsletter

We have got off to a great start with our sports this term. The house cross country was a success and our school cross country team have taken part in the first two races of the season.

The football and netball tournaments at Huish were very competitive and we are looking forward to the house football and netball tournaments after half-term.

Long Sutton Cross Country

We took a bigger team to the second race of the year at Long Sutton and everyone worked extremely hard around a tough course.

Sports Captains

Our sports captains have been chosen and have begun their roles. They started with some training with Mr Smith and practised delivering activities with Harriers Class. They have already been doing a fantastic job of providing playtime activities for children in KS1 and KS2.

A real team performance by our girls who were undefeated throughout the tournament, winning all five of their games and only conceding one goal.

A great effort by everyone who took part for their house in the cross country competition, won by Romans House.

What a performance from our football team who won the CLP tournament at Huish!

Hambridge Cross Country

The first cross country race of the season was run in lovely weather at Hambridge. The team, with five children running for the school for the first time, did superbly.
