

There are lots of ways you can enhance your child's learning at home!

Steps to help your child succeed

- Read to and with your child every day.
- Please continue to help support your child with letter and number formations.
- Practise reading sound and word cards in your child's book bag wallet.
- Practise to recognise, order and count 1-10, both numbers and objects.
- Go to a local library; what traditional tales can you find?
- Discuss what a traditional tale is. Do you have any at home you could read together?
- Talk about the stories you have read. Who are the characters? Where is the story set?

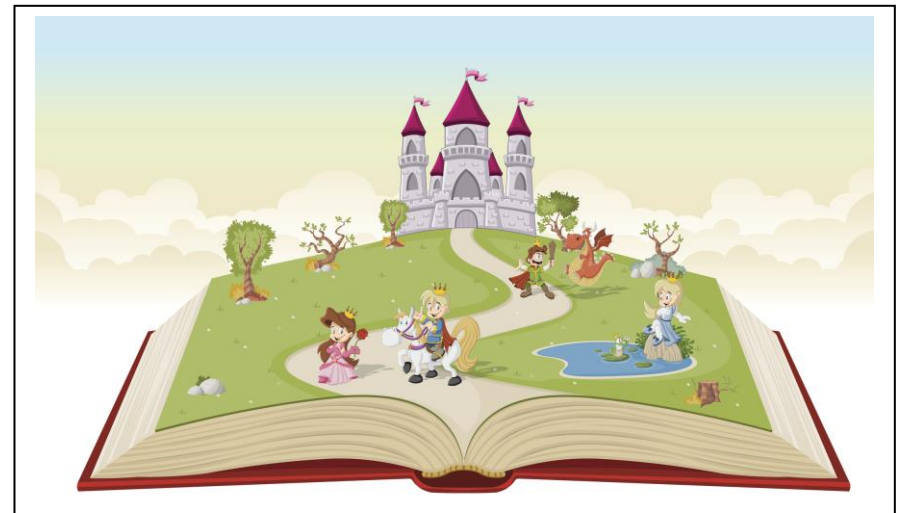

Our Learning Journey

Traditional Tales

KING INA

CHURCH OF ENGLAND ACADEMY

King ina
Church of England Academy
Summer 1 2023

Some of the things happening this term.

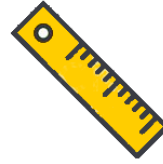

- The children will be learning all about traditional tales.
- Writing a story map on the books they have learnt.
- Discussing in detail different traditional tales.

Our Christian School Value

This term our Christian School Value is 'Belief'. We will be carrying out lots of work on how to build our self-belief and self-confidence. We will be working on becoming kind and respectful individuals and believing in a bright future.

We will be planning some more welly walks for the children to continue to explore within their immediate environment as well as looking at the season changes over time. We also hope to plan a trip to the library where the children have an opportunity to explore a variety of different books.

We will once again be holding a topic outcome day at the end of Summer Term. More details will be announced nearer the end of term.

Our Learning Journey

Important Information

Spellings: The children have been doing really well with their spellings last term. Please continue to practise spellings at home and feel free to be as creative as you like. Ensure that you practise the spellings out of list order as that is how we practise them in school.

Book bags, drinks and appropriate clothing: Please ensure your child comes to school every day with their book bag, drink and a coat. As the weather becomes warmer, please label any hats you may wish to bring. Children will need their book bags and reading books every day, to ensure that they can continue to practise their reading, sounds and tricky words with adults in the classroom.

Phonics Next Steps: The children have worked really hard on recalling all of their phase 2 and phase 3 sounds and tricky words. This term, we are moving onto Phase 4 which will introduce new tricky words and continue to reconsolidate their phase 3 sounds. The children will continue to build their confidence in writing sentences using their phonics knowledge and tricky words. Any support with this at home would be very much appreciated.
