"Let your light shine!"

[Matthew 5: 14-16]

Read on to see how we have been letting our lights shine!

Talent Show!

Last week's Talent Show was absolutely incredible! From jaw-dropping acro-gymnastics and hilarious cooking comedy to beautiful singing and energetic dance routines, every single act was amazing.

Our talented compères kept the show running smoothly with confidence and flair, while the backstage crew worked tirelessly to make sure everything came together perfectly. We are so proud of all the children for their courage, creativity and hard work—well done to everyone involved!

Community Club

This half term our Community Club have shown fantastic teamwork and community spirit by helping to clean the church, delivering the *Viaduct* magazine to local residents, and taking part in a school clean-up. We are incredibly proud of their hard work, responsibility and positive contribution to both our school and the wider community. Well done to everyone involved!

Swimming Gala

Five Year 4 - 6 children took part in the swimming gala. They placed 5th with some excellent wins amongst the team in many races within their heats. The children were impeccably behaved and fantastic role models for the school. Well done to all the girls involved!

Pupil Led Worship

We were so impressed with the Ethos group for delivering a worship last week on our school value 'Service'. They taught the rest of the children about helping others without being asked to and about not expecting anything in return.

Rewarding Good Behaviour

Last week, the children were rewarded for following the Golden Rules with a whole-school afternoon of fun and celebration.

In addition, two children from each class were chosen to attend the Headteacher's Tea Party in recognition of their outstanding behaviour and for consistently upholding the Golden Rules throughout the half term.

Let your lights shine children!

Safer Internet Day

We marked this important day exploring the safe and responsible use of AI.

Please see our Facebook page for links and top tips for supporting children's learning at home.

PTFA Cake Sale and Discos!

A huge thank you to our wonderful PTFA for all their hard work last week. From organising Monday's delicious cake sale to providing refreshments at the Talent Show and hosting Thursday night's fantastic discos, their time, effort and enthusiasm made each event such a success. We are incredibly grateful for everything they do to support our school community!

Book Fair

This is to remind you that the Book Fair will be returning in March. Children will be able to purchase the books on sale on Friday 13th and Monday 16th March.

Please note, these are different to the original dates advertised.

Key Stage 1 History Workshop

As part of their learning on Castles and Knights, Key Stage 1 children took part in a workshop delivered by representatives from Taunton Museum.

They made a castle in groups, tried on helmets and had lots of fun pretending to be knights and jesters!
