

King Ina Church of England Academy

Curriculum Statement

Within our secure Christian environment, our vision is to develop healthy, happy, motivated learners who aspire to achieve their full potential and who look to the future with confidence.

The Curriculum Plan at King Ina Church of England Academy aspires to provide all our pupils with high quality learning experiences, which are engaging, challenging, relevant and fun, whilst affording opportunities to cover all aspects of the National Curriculum content.

It is our intention that educational activities are designed to encourage a love of learning, positive attitudes, confidence, independence, resilience, creativity and physical health in all our students. The curriculum coverage and expectations for English and mathematics always remain a top priority, with children covering the requirements of the National Curriculum 2014.

Our aim is that by the time our pupils leave the academy at the end of KS2 they have:

- the ability to self-evaluate and move forward
- pride in their achievements and take responsibility for their own actions
- confidence when making their own choices and the freedom to express themselves
- ability to work independently and to co-operate with others in a team
- a range of practical skills to apply to all areas of their lives
- skills that can be transferred to the workplace and to their lives as teenagers and then adults
- learnt to use a range of tools to create works of art, dance, drama, music, IT and literature.
- an awareness of their own uniqueness and skills of patience, resilience and tolerance.

We have recently implemented a redesigned history and geography curriculum with opportunities to discover a wealth of exciting new learning. The range of rich topic areas will make a huge impact on the children's knowledge and understanding of the world around them and the history of global, national and local events.

September 2023 – July 2024

	Autumn		Spring		Summer	
	HISTORY	GEOGRAPHY	HISTORY	GEOGRAPHY	HISTORY	GEOGRAPHY
Key Stage One	Toys	What a Wonderful World	Castles, Knights & Dragons	Our Country	Dinosaurs	Our Local Area
Key Stage Two	Ancient Egypt	All Around the World	Ancient Greece	Magnificent Mountains	Victorian Somerset	Extreme Earth

Learning outcomes will be reviewed and scrutinised throughout the year as part of our monitoring programme, to ensure quality of provision for all our pupils.
